Meeting Monday to Launch United Way Campaign Here

The Hamlin United Way will launch its annual fall fund raising campaign here Monday evening with a "Kick-Off" meeting in the First Baptist Church fellowship hall at 7:30 p.m., according to Joe E. Ford, president.

All division chairmen and workers are urged to attend this meeting by Mrs. Roy Pritchard, campaign chairman.

A highlight of the meeting will be the presentation of the annual Poster Awards to school students. The awards will be presented by Mrs. Johnny Waldrop, chairman.

For the first time this year, all divisions will start their campaigns at the same time. In the past the different divisions have started their drives a week apart. The pledge cards will be prepared in advance and all workers will receive their cards at this meeting, Mrs. Pritchard said.

Campaign chairmen are: Advance — Sammy Ferguson, Mrs. Howard Mehaffey and Luther Haight; Farm — Larry McCoy and Davis Weaver; Business — Pat Willoughby, Gregory Lievan and Ken Prewitt; Employee — Mrs. Luther Haight, Mrs. Melvin

Scott and Eddie Marentes; School — Milburn Wink; and House to House — Senior Citizens.

In announcing the kickoff date for the campaign, Mrs. Pritchard said, "The United Way is people helping people. It is the desire of the officers and directors that each person in our community will consider this one opportunity to give, a privilege to ban together and help make our community giving go over the top by October 31."

"The goal is \$14,000 again this year, we came close last year, let's work together and make it 100 percent for 1977-78," she said.

Because the campaign failed to meet the \$14,000 goal last year the agency only paid

95 percent of its pledge to all of the out-of-town agencies, but did pay the full 100 percent to all local organizations.

Billed as 17 campaigns in One, the United Way directors have divided the \$14,000 goal this year as follows:

Arthritis Foundation \$300, Cystic Fibrosis \$500, Birth Defects \$350, West Texas Rehabilitation Center \$2,000, Cancer Research \$750, Salvation Army \$1,000, Heart Research \$350, Summer Recreation Program \$800, Summer Baseball Program — Boys Little League \$650, Girls Little League \$650 and Teenage League \$200, Hamlin Child Care Center \$2,200, Scouting Program — Boys Scouts \$750, Girl Scouts \$750

and Local Scouting \$750, Hamlin Stock Show \$750, Hamlin Senior Citizens \$500, Campaign Expenses \$390 and Bookkeeping \$360.

Texas Governor Dolph Briscoe has issued an official memorandum designating the months of September, October and November as "United Way Campaign Months in Texas, and urges all people of our State to contribute to and volunteer their services to the campaign in their local community."

He said, "For over 90 years the United Way movement has been a leading example of America's distinctive tradition—the impulse of people to act voluntarily on the problems of their communities."

STATE PRESIDENT VISITS—Elvin Caraway, center, state president of the Future Farmers of America, visited the chapters of the Double Mountain FFA District Monday and Tuesday. Caraway, a graduate of Spur High School and a sophomore at Texas Tech University, spoke to the Hamlin High School student body Monday afternoon. He was accompanied over the district by Guy Turner, left, Area II vice president, and was welcomed by Mark Carter, Hamlin FFA Chapter president. Caraway was elected to the top state office this summer and will devote full time this year to the state organization. He expects to visit 350 to 400 chapters and travel 70,000 miles during the year.

NEWS AND VIEWS...

And What Have You

By BOB CRAIG

If there ever was a segment of the American economy that needed political leadership, it is the American farmer. While he may be one of the most efficient producers in the world he seems to have lost his political touch.

At one time the farmer had probably the strongest lobby in Washington but apparently not any more. What little relief he manages to get in Washington is billed as a sellout by the consumer groups.

As we have said here before, one of his major problems is not being able to agree with his fellow farmer as to what is the answer to his problem. For years the farmers in the mid-west have been Republicans while the farmers in the south and southwest have been Democrats.

One group wants to plant more while the other group wants to plant less, one group wants more controls and the other group wants less, one group wants more federal help while the other group seems to want less.

The problem now is that he has rocked along with poor prices for his products and high prices for everything he buys until he is no longer a major factor in the policy making decisions in Washington. This is the day of the "consumer" lobby in Washington where anything that drives up the price of consumer goods is bad.

The American public has been sold on the ideal over the years that agricultural and energy products are cheap. The consumer seems to accept increases in almost anything else but don't let his food bill go up and don't let his gas or electric bill get higher.

Most Americans seem to accept the fact that his new automobile or his new home is going to cost him three or four times as much as it did a few years ago but don't let his gasoline or his heating or cooling bills go up.

The farmer is caught in this same illogical squeeze. As food prices go up because of an increase in processing costs or transportation costs or handling costs, who gets blamed... the farmer.

A few years ago beef prices started going up to level that might have put them in line with other prices when the housewives started a boycott and the cattle market has never recovered. Wheat prices got up to a decent level a couple years ago and then the threat of \$1.00 a pound bread brought the consumers out in full protest. And wheat has never recovered.

Hospital Auxiliary In Planning Stage Here

Efforts are being made to form a hospital auxiliary here for Hamlin Memorial Hospital.

Interested persons are invited to attend a state meeting to be in Brownwood Wednesday, Sept. 28. Brownwood Community Hospital will host the one-day meeting of Texas Association of Hospital Auxiliary at Holiday Inn. Reports from other auxiliaries will be heard, an idea exchange presented and information on organizing an auxiliary will be available.

State auxiliary officers will be in attendance.

Mrs. M. L. Smith will represent the local hospital at the meeting. All interested persons are urged to attend also. Registration deadline is Tuesday. Information is available at the office of Billie J. Speck, administrator.

Mrs. Speck said the forming of an auxiliary will provide a closer relationship between the community and the hospital. Plans for the local organization will be announced later, she said.

GRAIN SORGHUM ADDED IN JONES—

Stonewall County Cotton Farmers Eligible for Federal Crop Insurance

Washington, D. C.—Congressman Omar Burleson is pleased to advise that Federal Crop Insurance will be made available to farmers in four additional Texas counties for the 1978 crop year.

Addition of Federal Crop Insurance protection on cotton and grain sorghum in Collingsworth County, on peanuts, cotton, and grain sorghum in Gaines County, on cotton in Stonewall County, and on cotton and grain sorghum in Yoakum County, will raise to 91 the number of Texas counties where Federal Crop Insurance is available to farmers.

Farmers in 16 Texas counties with existing crop insurance programs will be offered protection on additional crops in 1978. Crop insurance will become available in Jones and Haskell counties on grain sorghum for the first time.

Currently, in Texas, Federal Crop Insurance protection is offered in three counties on citrus, two counties on corn, 59 counties on cotton, 49 counties on grain sorghum, 11 counties on peanuts, four counties on rice, and 28 counties on wheat.

In addition to the 1978 crop year expansion, it was also announced that wheat crop insurance would be made available for the 1979 crop year in Collingsworth and Stonewall Counties.

Nearly \$51 million in Texas crop production expenses on more than 614,000 acres is currently protected by Federal Crop Insurance for the 1977 crop year.

During the 1976 crop year, Federal Crop Insurance was available in 1,467 counties throughout the country. Farmers protected their crop production expenses on 23 crops for a total liability of nearly \$2 billion the highest level in the Corporation's

history. The severe weather conditions existing during 1976 resulted in the payment to policyholders of an estimated \$134,700,000, the largest dollar amount of indemnities ever paid for crop losses.

Bill Rountree Presented National Service Award

W. G. (Bill) Rountree was presented the John Campanius Holm Award by the National Weather Service here last Wednesday at the noon meeting of the Hamlin Rotary Club. He is one of 26 observers across the country selected to receive this award.

The award was presented by Dave Harmon, officer in charge of the Abilene Weather Service office, and Bob Manning from the Substation Management Branch in Fort Worth.

RECEIVES AWARD—W. G. (Bill) Rountree, center, was presented the John Campanius Holm Award by the National Weather Service here last week by Dave Harmon of the Abilene Weather Service office. Shown accepting the award with Rountree is his wife. He is one of 26 observers across the country to receive this award this year.

City Council Grants Cable TV Rate Hike

The Hamlin City Council granted a 50 cent a month increase for cable television service to Cable Electronics at their regular monthly meeting here Monday evening.

Bob Brockman of Abilene, along with Mrs. Ruby Moore, local manager, appeared before the council to seek the rate hike. In seeking the rate increase, Brockman told the council of several improvements and extensions being planned by the company in Hamlin.

The rate increase granted by the council calls for an increase from \$7.45 to \$7.95 for regular monthly service and an increase from \$1.25 to \$1.35 for each additional

outlet. The commercial rate will increase from \$1.25 to \$1.75. A much bigger increase was granted for installation charges with all installation charges going to \$15.00.

Brockman told the council that the company plans to spend \$22,618 to improve the

local service with \$11,430 of this being spent to enlarge the distribution system and \$9,097 to replace some existing equipment. He said that the new equipment should give the local customers a much better picture.

The increase will become effective with the Oct. 1 billing. Both the Anson and Rotan city councils have also granted similar rate increases to Cable Electronics.

The council made tentative plans to increase the sewer system in the Northeast section of the city to tie into the new lift station. Current thinking by the council is for city employees to lay the 13 blocks of new sewer line as soon as they can work it into their schedule.

No action was taken on the project at the meeting as the council is seeking more information on the cost of the project and an estimated completion schedule.

The council studied a new pension plan for Volunteer Firemen that was passed during the last session of the Legislature. They tabled the matter until they can have more information on the cost and benefits to the city.

METHODIST NIGHT

The Rev. Charles Reese of the First Christian Church in Sweetwater will be the guest speaker at the Family Night covered dish supper at First United Methodist Church Wednesday evening Sept. 28, at 7.

Hamlin Gin Gets First Bale Tuesday

Hamlin Farmers Coop Gin received its first bale of the season Tuesday about 3 p.m. The cotton was brought in by H. L. Ford.

The first bale was received last year on Oct. 13 and it was produced by Ford's son, Spencer Ford.

Plans are for the gin to be in operation Friday.

Show Barrow, Lamb Sale Set At Aspermont

Aspermont—A Stonewall County show barrow and lamb sale will be held Saturday at the County Show Barn on Highway 380.

Fifty lambs will be offered for sale at 10:30 a.m.

The barrows and gilts, 150 total, will go on sale at 1 p.m. The women of First United Methodist Church will serve a smoked ham luncheon at the show barn.

PIPERS TAKE WEEK OFF—

Hornets to Travel to Spur

While the Hamlin Pipers are taking the week off in preparation for their big District 7-A opener here the following week with the Munday Moguls, the Aspermont Hornets will be traveling to Spur this Friday to play the Bulldogs. This game and the contest between Haskell and Stamford are the only two District 7-A games this week.

All of the other district teams are taking the week off before their district openers.

The Hornets, under coach Dan Slaughter, are expected to be fired up this week when

they travel to Spur following their narrow loss to Jayton last week, 23-20. Early mistakes cost the Hornets an early lead to the Jaybirds, but they battled back to pull within three points as the game ended.

For the Pipers it will be a week to overcome some of their injuries that have plagued them since the season started. Coach Bill Grissom is expected to use this extra week to work on some of the defensive problems that showed up in their 19-7 loss to arch-rivals,

the Anson Tigers, last week.

In other district action last week Spur defeated Paducah 18-12, Haskell defeated Seymour 23-0, Munday ran over Rule 32-7, Knox City downed Archer City 23-13 and Rotan rolled over Rochester 30-0. The score on the Crowell game played at Memphis was not available.

The only game scheduled this week for a Hamlin team will be the junior varsity traveling to Merkel today for a 5:30 contest. Both the Hamlin and Aspermont seventh and eighth grade teams are idle this week.

P-TA Presents Checks For School Projects

Checks from the Hamlin Parent-Teachers Association were presented to several school officials to be used for various school needs were presented at the Thursday afternoon meeting of Hamlin Parent-Teachers Association.

The check to Marvin Carlton, middle school principal, was earmarked for landscaping at the new middle school building.

Mrs. Anne Prewit received money to be used for materials in the resource room.

Other money was given to be distributed to all primary and elementary school teachers for supplies in their respective classrooms.

Dr. Jan Skinner of Fresno, Calif., reading consultant, told the group about the programs being implemented in the primary and elementary schools. She also urged all parents to become

involved in the school system. Under the new type of instruction in the local schools, many volunteers are needed. Any person wishing to volunteer is asked to call one of the school principals, she urged.

Principal Carlton spoke on the new team teaching method in the middle school and pointed out needs for volunteers. Volunteers need not be parents, he added.

The next meeting will be Oct. 20 at 3:45 p.m. in the resource room (library) of the middle school. Larry Bulter, elementary principal, will be the speaker.

Story Hour Starts Today

The Story Hour for children three to five years of age will begin today (Thursday) at 4 p.m. at Harden Memorial Library, 324 Southwest Avenue A.

Mrs. John D. Ferguson Jr. and members of the Young Homemakers chapter are in charge of the story hour that is held each Thursday except on school holidays.

Stories, finger games and songs are included in the half hour session. Parents are to pick up their children at 4:30.

\$100 CHECK GIVEN—Mrs. Mac Reid, right, president of the Hamlin Chapter of Young Homemakers of Texas, presents Elma Ree Crowley, center, director of the Hamlin Child Care Center, and Beverlie Phariss, left, assistant director, with a check for \$100 for the Center. The YHT chapter gave the donation in observance of this being YHT week.

Woman's Forum To Meet Monday

The Hamlin Woman's Forum will meet at 7 p.m. Monday at Harden Memorial Library.

Martha Haught, president, will preside and announce standing committees for the two-year term of office.

All officers and delegates are urged to attend.

Miss Benavides, Charles Ruiz To Wed Oct. 8

Mr. and Mrs. Domingo Benavides are announcing the engagement and approaching marriage of their daughter, Sylvia, to Charles Ruiz, grandson of Mr. and Mrs. Paz Gonzalez.

The couple will be married Oct. 8 at Holy Trinity Catholic Church in Hamlin.

The bride-elect is a 1976 graduate of McCauley High School and is employed by Wall's Industries in Sweetwater.

The prospective bridegroom attended Hamlin High School and is employed by Hamlin Coop Gin.

Garden Club Names Yard Of Month

Mrs. Joe Don Hymer was hostess for the Sept. 14 meeting of the Hamlin Garden Club. Mrs. Rodger Bell presided.

The yard of the H. R. Daniell home, 1040 N. W. Fourth, was announced as September yard of the month. Club members set Sept. 19 to work on the club's Triangle Garden to plant iris.

The next meeting will be Oct. 12 in the home of Mrs. Ken Prewit. The program will be presented by Joyce Bond, owner of Joyce's Greenhouse.

Coffee and cookies were served to 11 members. New members welcomed were Mmes. Doyle Bell, Harvey Lawlis and Linda Haley.

Ellison-Dunning Wedding Vows Read Recently

The marriage of Martha Elaine Ellison to Richard Thomas Dunning has been announced. Parents of the bride are Mr. and Mrs. L. N. Ellison of Hamlin and the bridegroom is the son of Retired CSM and Mrs. Wendell Barron.

The couple was married Sept. 2 at the New Post Chapel at Fort Sill, Okla., where the bride is stationed. Chaplain Clark Lashmett performed the double ring ceremony.

The bride is a graduate of Hamlin High School and has been at Fort Sill since January, 1975.

He is a graduate of Lawton High School and is employed by Southwestern Furniture and Appliance Sales.

The couple resides at 510 North 14th in Lawton.

Naomi Class Elects Officers

Naomi Sunday School Class of First Baptist Church met in a business session to elect new officers for the coming year. A salad supper and installation service was planned.

The new officers are Mmes. Joe Simpson, teacher; E. A. Hewett, assistant teacher; Lee Ward, outreach leader; Delbert Rountree, assistant outreach leader; G. W. Drummond, associate outreach leader; Robert Calhoon, treasurer; Delbert Hill, secretary I; Winston Gray, secretary II; H. S. Stovall, cards and gifts; and Gene Prewit, reporter.

Other officers are Year Book committee: Mmes. Calhoon, Maude Elkins and B. V. Newberry. Group Leaders are Mmes. A. F. Haught, Ray Johnson and Cecil Sellers.

Butterfly porkchops "look butterfly," says Gwendolyn Clyatt, consumer marketing information specialist with the Texas Agricultural Extension Service, The Texas A&M University System. "Boneless double chops, split most of the way through the center, open to form a butterfly shape," the specialist says.

LYN Group Sets Spaghetti Supper Here Sept. 30

The Licensed Vocational Nurses Association, Div. 73, will have a Spaghetti Supper here Sept. 30 just before the Munday-Hamlin football game.

Tickets will be \$2 per person and the menu will include spaghetti, salad, hot rolls, cobbler, tea or coffee.

Plans were made by the nurses group at the Sept. 8 meeting in the community room of Hamlin Branch, Sweetwater Savings Association. Hazel Higdon, president, presided and gave the opening prayer.

Two new members were welcomed, Laura Smith of Rotan and Elma Ree Crowley of Hamlin. Little Allen was elected to the office of treasurer.

Discussion also included plans for the state convention to be held in Lubbock, Sept. 26-29.

The next meeting will be Oct. 3 at 7 p.m. in the Sweetwater Savings Association Community room.

VFW Auxiliary Holds Meeting

The Ladies Auxiliary of the Veterans of Foreign Wars met Sept. 12 with Mrs. Plez Ferrell, president, presiding.

Mrs. Carl Green, treasurer, and Mrs. Cleo Perryman, secretary, reported that members of the auxiliary helped with the birthday party at Holiday Lodge Aug. 30. Each patient that had a birthday in August was given a clothes rack by the auxiliary.

The honor roll requirement for September, a pledge to the hospital of 23 cents per member, was accepted.

The next meeting will be Oct. 3 at 8 p.m. at the post.

FIFTY YEARS AGO

One of the important social functions for Hamlin this year, on a big scale, was at the Methodist Church in the basement, Tuesday night when the young uncharged Rotary Club of Hamlin was host to the visiting Rotarians from Sweetwater, Abilene and Stamford, who witnessed the presentation of the charter by District Governor, Ellis H. Boyd of Fort Worth.

The main auditorium of the church was used as a receiving room where the guests were greeted by the Hamlin members and their wives. Then all were invited to the basement where a sumptuous dinner was served by the ladies of the Methodist Church. Stamford, being recognized as the organizer of the Hamlin Club assumed the responsibility of the program and every feature except the "eats."

The Charter members of the Hamlin club are: Tate May, president; Bowen Pope, Martie McCain, J. E. Moody, C. G. Green, John Ed Day, Alton Barton, H. O. Cassle, D. C. Gibson, Billie Bryant, Starr Inzer, Elmer Rodgers, Elmer Feagan, Carl Mahan, W. A. Albritton, Dr. Frank Estes and Henry Littleton.

The Herald was informed this week by Mr. Tate May, who has had immediate charge of the J. C. Routh Insurance business the last weeks, that this had been purchased by Mr. H. D. Neff, now of Haskell, but formerly of Hamlin.

Have you heard the modern version of the ten commandments for women? Well if you have not, here they are:

Thou shalt not park or pet.
Pose not in they one-piece bathing suits.
Hot is the sun and great the pain from sunburn.

Keep thy figure trim, neat and sylph-like.
Chew they gum silently and park it in far away places. Great is the stickiness thereof.

Powder thy nose and rouge thy lips in private. It is better to make them think you grew that way.

Covet not another girl's man. She may want yours someday.

Beware of the Black Bottom. Fallen Arches are often the result.

Early to bed and early to rise, keeps a girl healthy, wealthy and movie-wise.

Remember the Golden Rule and always count your change.

Honor your father and mother, but keep away from sugar daddies.

TWENTY YEARS AGO

Another scourge of late summer mosquitoes has been prevalent in the Hamlin community for several weeks, citizens report.

The mosquitoes are a new type, being smaller and blacker than those that invaded the section after the big rains in April and May. People report that they are so small that they can enter the homes through ordinary screen windows.

Numerous cases of flu have been reported in the Hamlin section in recent days. This trend is typical over most of the county, doctors say.

Numbers of cases of Asian influenza have been reported in several sections of the country, but no cases of that variety have been reported in Hamlin so far, declare local physicians.

First in the series of football booster caravans to out of town games of the Hamlin High School Pled Pipers will be staged tomorrow evening when the group will go to Merkel. The trips are being sponsored by the Pled Piper Booster Club of business men.

Fans with cars are urged to gather in front of the high school at six o'clock, according to Carly Haynes, Booster Club president, where high school girls will decorate the cars in school colors.

The group will go in the caravan, which will observe speed and safety rules, Haynes says.

Fifty-two Study Club is sponsoring an annual game night Monday evening at the Primary Cafeteria, it is announced by Mrs. Irby Weaver, chairman. The affair will feature bridge and forty-two. Pie and coffee will be served to attendants.

Tickets for the benefit may be purchased from any member of the Fifty-Two Study Club.

And What Have You

--Continued from Page One

What is the answer? We don't know, but one thing that we do know is that the American farmer had better get with his neighbor and find a solution. At one time he might have been able to solve his problem in the market place but we fear that that day is long gone and the only solution will be found in organization and political clout.

We hear a lot of talk about preserving the family farm. Most farm proposals seem to be made in the name of "the family farm." We doubt that this is the answer to the farmer's problem for the simple reason that the family farm does not exist anymore.

At least not in the concept that most nonfarm people think of it. We suspect that when you say family farm to a New Yorker or any other big city dweller his first thought is of "Little House on the Prairie."

We would guess that the common notion of the family farm is where mom and pop and the children live a simple life. They get up early every morning and milk the cows, slop the hogs, feed the chickens, gather the eggs, chop the wood and perform other chores. At night they sit around the kitchen table, reading a simple farm paper by kerosene lamp and turn in early so as to be ready for the long working day ahead.

Now with that picture in mind, why does the farmer need more money for his products? He is going to produce what he eats and make what he wears.

We suspect that in the minds of the average American consumer who has never seen a farm that those farmers who do not live this way are getting fat off of both the consumer and the government.

How the farmer has gotten himself in this predicament we do not know. Except for the fact that most of them kind of like this image of the noble American farmer and are hesitant to see it change. He wants people to think of him as being a common laborer when he must get across the idea that farming is big business and requires big investments of money, labor and land.

We doubt that mailing a pound of wheat to Washington or driving a tractor to Austin is going to do much to solve his problems unless all of the farmers get into the act.

For the sake of us consumers, we hope the farmers get their act together and soon or we may all wake up on a much stricter diet than any of us had planned.

Dad's steady influence is needed for . . .

LIFE'S OBSTACLES

We can easily see physical obstacles such as logs, boulders, and many other things that may be too difficult for our children to handle, but things that are not physical are not always so obvious. A young child needs help from his parents in spiritual matters too. The church can be an influence on children's lives, but when you, a parent, are taking part in church worship, you can be an even greater influence. Give your children, the leaders of the future, a hand now when they need it most. Take them to church regularly . . . and you too, will have a fuller and better life.

ATTEND CHURCH

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Pipers Fall to Anson Here Friday, 19-7

The Hamlin Pipers took an early second quarter seven-point lead over the Anson Tigers here Friday night but could not contain the Tiger offense to lose their final non-conference game, 19-7.

The Pipers put together several good drives but could only make it into the Anson end zone the one time. A 15-yard penalty on the Anson seven-yard line stopped the first Hamlin drive early in the first period. The Pipers threatened again late in the second period but stalled out on the Tiger 28.

Mid-way in the third period, the Pipers drove to the Anson 19 before stalling out again and in the early part of the fourth quarter the Pipers moved from their own 26 to the Anson 14 before giving up the ball on an interception.

But while the Piper offense moved the ball well at times, the defense could not contain the running of little Jerry Owen and quarterback Jody Burleson. Burleson was the game's leading rusher with 152 yards in 21 carries while Owen had 119 yards in 20 carries.

Top Piper ball carrier for the night was runningback Drew Tomlinson with 89 yards in 14 carries. He was closely followed by Mike

Hymr who had 81 yards in 19 trips.

The Tigers took the opening kickoff and drove from their own 32-yard line to the Hamlin 36 before giving up the ball on downs.

Taking over at this point for their first chance on offense, the Pipers drove down to the Anson seven-yard line in 11 plays. But a 15-yard penalty put the Pipers back on the 23 and then two plays cost the Pipers 15 more yards to put them back on the Anson 38. Quarterback Todd Marshall connected with Hymr on a seven-yard pass play on third down and then punter Vance Lakey punched the ball down to the Tiger five on fourth down.

The Piper defense held the Tigers to six yards in three plays, forcing them to punt.

A short punt gave the Pipers the ball again on the Anson 34-yard line. Anson drew a five-yard penalty and Tomlinson closed out the first period with a three-yard gain

to the Anson 27. Marshall got loose from the Tiger defense and carried down to the Anson seven from where Hymr carried in for the score on the next play. Tomlinson kicked the point after with 11:48 left in the second quarter.

Following the kickoff, the Tigers moved from their own 36 to the Hamlin 32 in six plays before fumbling with Lakey recovering on the Hamlin 36.

The Pipers gained four yards in three plays and were forced to punt. The Tigers drew a five-yard penalty on the punt and with just about a foot for a first down, the Pipers went for the first down. Their first attempt was good, but both sides were ruled offside and the play was called back. Hymr carried again but this time was just inches short of the first down.

Taking over on the Piper 45, the Tigers ripped off the 45 yards in eight plays with Burleson scoring around his left end from the four. Mark Guffey tied the game up with his extra point kick with 3:47 left in the half.

Taking over on their own 20 following the kickoff, the Pipers started another drive, picking up three first downs in eight plays. With time running out, the Pipers took

to the air with three in-completions and on fourth down Hymr was just a yard short of another first down.

The Tigers took over with 31 seconds left in the half and ran two plays to run out the clock.

Tomlinson returned the kick off back to his own 37-yard line to open up the second half. Three plays netted the Pipers a first down at their own 48, but then they gave up the ball on the next play on a fumble.

It took the Tigers just seven plays to get on the scoreboard again with Guffey going the final seven yards over his left tackle. The two-point try failed and the Tigers were ahead 13-7 with 7:48 left in the third period.

Hymr returned the kickoff to the Hamlin 37 and then on third down and eight, Tomlinson broke loose for 23 yards and a first down on the Tiger 38. Hymr and Ronald Brown combined to gain another first down at the Anson 27. After a gain of two yards on first down, a Tiger defender made a great save to knock down what appeared to be an easy touchdown pass by Marshall. The Pipers were forced to give up the ball two plays later, two yards short of a first down at the Anson 19.

The two teams exchanged punts and then the Tigers

drove 65 yards in five plays to put six more points on the scoreboard. It was Guffey again going in over his left tackle for the final five yards. The two-point pass play was incomplete and the Tigers were ahead 19-7 with 11:49 left in the game.

Following the kickoff, the Pipers drove from their own 26 to the Anson 14 in eight plays, but after losing three yards on two running plays, the Pipers had a pass picked off at the Anson 10.

The Tigers moved down to the Hamlin 35 before giving up the ball. The Pipers lost seven yards in three plays and punted.

Taking over on their own 41, the Tigers carried down to the Hamlin 28 before fumbling with the Pipers recovering on their own 32 with 10 seconds left on the clock.

The Pipers got off three plays before the game ended but could not get on the scoreboard again.

McCaulley Wins Over Weinert

McCaulley—Trailing 32-0 after the first quarter of play, McCaulley came storming back to whip the Weinert Bulldogs here Friday night, 61-48, in a six-man non-district game.

End James Kemp sparked the come-from-behind victory over Weinert with five touchdowns. Both quarterback James Jeffery and fullback Earl Williams scored two touchdowns for McCaulley to complete the victory.

Scoring for Weinert were tailback Mike Stewart, three touchdowns; end Tommy

Assad, two touchdowns; and fullback Bryon Adams, one touchdown.

Ruth Fletcher has returned from a month's vacation. She visited a few days in

Hornets Lose Thriller to Jayton, 23-20

Aspermont—The Aspermont Hornets were edged out by the Jayton Jaybirds here Friday night in a 23-20 thriller. Down 14 points after the first two minutes of play, the Hornets came battling back to score 14 points in the first half and six more in the final period.

Early game mistakes proved costly for the Hornets as they fumbled the ball on their first two possessions. The Hornets received the opening kickoff only to fumble on their own 38.

It took Jayton only eight plays to go the 38 yards with fullback Donnie Shipp going over from three yards out for the touchdown. Gene Cleveland kicked the point after with 8:12 left in the quarter. pointafter try failed and the Hornets trailed, 14-6, with 40

Receiving the kickoff again, the Hornets fumbled on the first play from scrimmage with Jayton recovering again on the Aspermont 40. Seven plays later tailback Cleveland scored again for the Jaybirds on a 10-yard run. He added the pointafter with 6:25 left in the first period to give Jayton a 14-0 lead.

Keeping control of the ball this time, the fired-up Hornets drove 55 yards in 12 plays to get back into the game. Fullback Steve Godfrey ripped off the final 21 yards for the touchdown. The

21 yards out. The pointafter failed with 11:08 left in the second quarter.

Godfrey broke loose for an 87-yard touchdown run to pull the Hornets within six points of the Jaybirds after Milton Laury added the two-point conversion. The two teams went in at halftime with Jayton ahead, 20-14.

The only scoring in the third period was a 22-yard field goal by Randy Prince for Jayton which proved to be

the difference in the game. Jayton took the second half kickoff and kept the ball for nine minutes and 10 seconds before settling for the three points.

The Hornets came back in the final period to drive 40 yards with Godfrey scoring on a one-yard run. The pointafter try failed and Jayton won by three points, 23-20.

Godfrey was the Hornet's top ground gainer with 146 yards in 18 carries and

Cleveland was high for Jayton with 86 yards in 22 carries. The evenness of the game was revealed in the statistics as the Hornets led in first downs, 15-14, but trailed in total yardage, 272-260. The big difference was in the fumbles lost with the Hornets losing four and Jayton losing none.

"The constitutional amendment to provide for an additional \$200 million in bonds or obligations of the State of Texas for the Veterans' Land Fund and to allow surviving widows of veterans to purchase tracts under certain circumstances."

NUMBER THREE ON THE BALLOT (S.J.R. 3)

Under current Texas law a person charged with a felony offense who has previously been convicted of two felony offenses may be denied bail. S.J.R. 3 proposes an amendment to the Texas Constitution which would also result in the denial of bail, for a limited time and subject to appeal, to a person accused of committing a felony while on bail for a prior felony for which the person has been indicted, or accused of a felony involving the use of

a deadly weapon after being convicted of a prior felony.

The wording of the proposed amendment as it will appear on the ballot is as follows:
"The constitutional amendment permitting denial of bail to a person charged with a felony offense who has been twice convicted of a felony offense, or charged with a felony offense committed while that person was admitted to bail on a prior felony indictment, or charged with a crime involving the use of a deadly weapon where there is evidence such person has been convicted of a prior felony offense; providing for a 60-day limit to that person's incarceration without trial; and providing for that person's right of appeal."

The wording of the proposed amendment as it will appear on the ballot is as follows:
"The constitutional amendment permitting denial of bail to a person charged with a felony offense who has been twice convicted of a felony offense, or charged with a felony offense committed while that person was admitted to bail on a prior felony indictment, or charged with a crime involving the use of a deadly weapon where there is evidence such person has been convicted of a prior felony offense; providing for a 60-day limit to that person's incarceration without trial; and providing for that person's right of appeal."

The wording of the proposed amendment as it will appear on the ballot is as follows:
"The constitutional amendment increasing the size of the Court of Criminal Appeals to nine judges, and permitting the court to sit in panels of three judges."

NUMBER FOUR ON THE BALLOT (S.J.R. 5)

S.J.R. 5 proposes an amendment to the Texas Constitution authorizing the legislature to grant exemptions or other relief from ad valorem taxes on property designated for the preservation of cultural, historical or natural history resources.

The wording of the proposed amendment as it will appear on the ballot is as follows:
"The constitutional amendment authorizing tax relief to preserve certain cultural, historical, or natural history resources."

NUMBER FIVE ON THE BALLOT (S.J.R. 19)

S.J.R. 19 proposes an amendment to the Texas Constitution authorizing the formation of associations authorized to collect certain refundable assessments from producers of poultry, livestock, and other raw agricultural or marine products and validating the 1967 law regarding the formation of such associations.

The wording of the proposed amendment as it will appear on the ballot is as follows:
"The constitutional amendment authorizing the formation of associations authorized to collect certain refundable assessments from producers of poultry, livestock, and other raw agricultural or marine products and validating the 1967 law regarding the formation of such associations."

"The constitutional amendment authorizing the formation of agricultural or marine associations which may mandate the collection of refundable assessments for improvement of production, marketing, or use of their products."

NUMBER SIX ON THE BALLOT (S.J.R. 49)

S.J.R. 49 proposes an amendment to the Texas Constitution to permit the legislature to authorize state and national banks to exercise banking privileges by use of electronic devices or machines located at such places as may be provided by law and authorizes the sharing of such electronic devices or machines among banks on a reasonable, non-discriminatory basis.

The wording of the proposed amendment as it will appear on the ballot is as follows:
"The constitutional amendment to give the legislature the power to authorize state and national banks to exercise banking and discounting privileges by use of electronic devices or machines."

The wording of the proposed amendment as it will appear on the ballot is as follows:
"The constitutional amendment to give the legislature the power to authorize state and national banks to exercise banking and discounting privileges by use of electronic devices or machines."

NUMBER SEVEN ON THE BALLOT (S.J.R. 30)

S.J.R. 30 proposes an amendment to the Texas Constitution changing the name of the State Judicial Qualifications Commission to the State Commission on Judicial Conduct and making several changes in its powers and procedures. The most significant change would authorize the Commission to suspend from office judges and justices under indictment.

The wording of the proposed amendment as it will appear on the ballot is as follows:
"The constitutional amendment changing the name of the State Judicial Qualifications Commission to the State Commission on Judicial Conduct, and relating to the commission and the powers and proceedings of the commission, a master, and the supreme court, or court of civil appeals justices serving in place of the supreme court, for the suspension, censure, removal, or involuntary retirement of a justice, judge, or justice of the peace under certain circumstances."

PROPOSICION No. 3 EN LA BOLETA (S.J.R. 3)

Bajo las leyes actuales de Texas se le puede negar fianza a una persona acusada de un delito mayor que previamente ha sido probada culpable de dos delitos mayores. La S.J.R. 3 propone una enmienda a la Constitución de Texas que también acabaría en denegación de fianza, durante un tiempo limitado y sujeto a apelación, a una persona acusada de cometer un delito mayor mientras estaba bajo fianza por un delito mayor previo por el cual la persona ha sido acusada por gran jurado, o acusada de un delito mayor implicando el uso de una arma mortí-

fera después de haber sido probada culpable de un delito mayor previo.

La terminología de la enmienda propuesta como aparecerá en la boleta es como sigue:

La enmienda constitucional permitiendo denegación de fianza a una persona acusada de un delito mayor que ha sido probada culpable dos veces previas de un delito mayor, o acusada de un delito mayor cometido durante el tiempo que dicha persona estaba liberada bajo fianza por procesamiento de un delito mayor previo, o acusada de un crimen implicando el uso de una arma mortífera y cuando hay evidencia que tal persona ha sido probada culpable de un delito mayor previo disponiendo un límite de sesenta (60) días de encarceración sin juicio de tal persona; y disponiendo el derecho de apelación de dicha persona.

La terminología de la enmienda propuesta como aparecerá en la boleta es como sigue:

La enmienda constitucional para dar a la legislación el poder de autorizar a los bancos estatales y nacionales para ejercer privilegios de banco y descuento mediante el uso de aparatos electrónicos o máquinas.

PROPOSICION No. 4 EN LA BOLETA (S.J.R. 5)

S.J.R. 5 propone una enmienda a la Constitución de Texas que autorizaría la legislación conceder exenciones u otros remedios de impuestos ad valorem sobre propiedad designada para la preservación de recursos culturales, históricos o de historia natural.

La terminología de la enmienda propuesta como aparecerá en la boleta es como sigue:

La enmienda constitucional autorizando una baja de impuestos con fines de preservar ciertos recursos culturales, históricos o de historia natural.

PROPOSICION No. 5 EN LA BOLETA (S.J.R. 19)

S.J.R. 19 propone una enmienda a la Constitución de Texas autorizando la formación de asociaciones autorizadas para coleccionar ciertos impuestos reembolsables de productores de aves de corral, ganado, y otros productos crudos agrícolas o marinos y validando la ley de 1967 con respecto a la formación de tales asociaciones.

La terminología de la enmienda propuesta como

PROPOSICION No. 6 EN LA BOLETA (S.J.R. 49)

S.J.R. 49 propone una enmienda a la Constitución de Texas que permite la legislación autorizar bancos estatales y nacionales para ejercer privilegios de banco mediante el uso de aparatos electrónicos o máquinas situadas en tales lugares como podrá disponer la ley y que autorizaría los bancos repartir tales aparatos electrónicos o máquinas de un modo razonable no distintivo.

La terminología de la enmienda propuesta como aparecerá en la boleta es como sigue:

La enmienda constitucional para dar a la legislación el poder de autorizar a los bancos estatales y nacionales para ejercer privilegios de banco y descuento mediante el uso de aparatos electrónicos o máquinas.

PROPOSICION No. 7 EN LA BOLETA (S.J.R. 30)

S.J.R. 30 propone una enmienda a la Constitución de Texas que cambiaría el nombre de la Comisión Estatal de Capacidades Judiciales a la Comisión Estatal Sobre Conducta Judicial, y haría varios cambios con respecto a sus poderes y procedimientos. El cambio más significativo autorizaría la Comisión para suspender de cargo los jueces bajo procesamiento.

La terminología de la enmienda propuesta como aparecerá en la boleta es como sigue:

La enmienda constitucional cambiando el nombre de la Comisión Estatal de Capacidades Judiciales a la Comisión Estatal Sobre Conducta Judicial, y perteneciendo a la comisión y a los poderes y actos de la comisión, con un oficial judicial nombrado por la Corte Suprema, o los jueces de la Corte de Apelación Civil sirviendo en lugar de la Corte Suprema, para la suspensión, censura, deposición, o retiro involuntario de un juez, o juez de paz bajo ciertas circunstancias.

Reddy's helpful tips
for your

HOME LAUNDRY

PLAN AHEAD
Sort clothes according to type of fabric, color-fastness, degree of soil and garment construction.
You'll save both hot water and electricity by doing similar items together.
Accumulate a full load before running your washer.

BE
SELECTIVE

Choose the cycle that is precisely appropriate for the clothes you are washing. Is a "hot" temperature setting really necessary? Except for heavily soiled items, most loads will come clean in either a cold or warm wash. Look into cold wash detergents.

Too much detergent can clog machine and drains... always measure, don't guess!

Follow the manufacturer's recommendations for your type equipment.
Mixing brands of detergents can cause graying of clothes.

FOR SAFETY SAKE

Be sure control is "off" before reaching into your washer.

If one is necessary, use only a heavy duty extension cord.

Be sure your washer is grounded.

Keep dry cleaning agents, color remover and Fiberglax out of your washer. It's a good idea not to wash clothes containing cleaning fluids in your washer.

Card of Thanks

CARD OF THANKS
We want to sincerely thank everyone for the many acts of kindness during the loss of our loved one. The calls, cards, flowers and food and a special thank you to the ones who sat with the family, and most of all for your prayers. May God bless you all.
The family of John T. Powers, his wife, Claude Powers, his sister, Grace Anderson, his children and their families, Netta Cochran, Doc Powers, Nancy Burden, Jewel Pack, John L. Powers, Juanita Vaughn, Irene Pyle, Mary Caskey, Robert Powers, Thomas Powers and Roy Powers. Aspermont

CARD OF THANKS
We would like to take this means of thanking the many people who were such a comfort to us and to Charles Gibson during his long period of illness. A special thanks to the members of the Mesonic Lodge and the many others who gave of their time to stay with him during this period. And it didn't end there. When he passed away, so many of you were there to bring comfort to us with your prayers, your kind words, the food, the flowers and a countless number of other kindnesses that are appreciated so much and will never be forgotten. For these acts of kindness we can only say, simply, "Thank You!" But for the love that prompted these acts, we cannot find adequate words to express our feelings. We love you! The family of Charles Gibson Aspermont

CARD OF THANKS
I would like to thank everyone for being so nice to me during my stay in the hospital. Your cards, flowers, gifts and visits meant so much to me; especially your prayers. Thank you again. Loreen Trammell Aspermont

CARD OF THANKS
Our heartfelt thanks to our many friends for your comforting expressions of love and sympathy during the illness and loss of our loved one. Your kindness will always be remembered. L. C., Peggie, Joe, Charlene, and the Grandchildren of Joe E. Bonds, Sr.

CARD OF THANKS
Hello Friends! I am home. It has been a long summer. Oh how lonely it would have been without you, my friends. Your cards, letters, visits, food, flowers, prayers, and many kindnesses have kept me going through this experience. The one thing I learned anew: One of the greatest rewards that can come to man in this life is to know you have friends that care. I pray that God will bless each of you for your love.

Cattlemen's Round-Up Set Monday

Bill Feagan and Cecil Sellers, chairmen of the Cattlemen's Round-Up for Crippled Children for the Jones County area, reminded ranchers and farmers that Monday, Sept. 26, is the date for the Cattlemen's Round-Up for Crippled Children.

Anyone wishing to donate livestock of any kind can contact either of the chairmen.

The chairmen reported that the round-up looks good and they hope that ranchers and farmers of the area will take advantage of donating cattle, sheep, horses or any kind of livestock to the round-up.

The Cattlemen's Round-Up for Crippled Children benefits the West Texas Rehabilitation Center, a private, non-profit organization which now has campuses in San Angelo and Snyder as well as Abilene.

Hamlin High School Homecoming is Oct. 27-28.

California Creek SWCD to Hold Director Elections

With the re-organization of the California Creek Soil and Water Conservation District as announced last week, the district will be required to elect three new directors. Two members of the five man board have been appointed and the other three will be elected on Thursday, Sept. 29.

Subdivision Three, which includes most of Hamlin area, will hold its election at 10 a.m. on that day at the Jody Ford implement barn on the Stamford Highway.

The California Creek SWCD was organized in 1941 and included portions of Fisher, Haskell, Jones, Shackelford and Throckmorton counties. The latest change in boundaries limits the district to only Jones County. This change transferred that portion of the district in Haskell County to the newly formed Haskell Soil and Water Conservation District. H. L. Ford is currently serving as director for this area.

Training Program for Pesticide Applicators

Commercial and non-commercial pesticide applicators interested in training programs for all categories and sub-categories, excluding the sub-category of Sanitation under Health Related Pest Control, will have an opportunity to participate in a workshop scheduled for October 11-14, at the Chillicothe-Vernon Research and Extension Center (located 5 miles south of Vernon on Highway 70).

The workshop will begin at 8:30 a.m. on October 11.

The initial session of the workshop will include subject matter applicable to all categories of commercial and non-commercial applicators. Sessions that follow will deal with category specific subject matter.

Certification is granted by the appropriate state regulatory agency on the basis of an examination. Where possible examinations will be given after each category is completed.

The workshop is not a requisite to certification as a commercial or non-commercial applicator and is not a part of the official certification process.

Persons planning to attend the workshop should pre-

register by contacting Mr. Emory Boring, Area Entomologist, Box 2159, Vernon, Texas 76384 (817-553-9941).

Expect more two dollar bills, says Claudia Kerbel, consumer information specialist with the Texas Agricultural Extension Service, The Texas A&M University System. Sifting "two's" into circulation to substitute for a proportionate number of "one's" means less paper money will have to be printed.

Neinda Philosopher Lists Some of the Fundamental Rules of the Art of Writing Checks

Editor's (note: The Neinda Philosopher on his Johnson grass farm on Route One reflects on check writing this week.

Dear editor:

Have you noticed how the newspapers and television networks concentrate on about one story a week? One week it'll be the Panama Canal, the next maybe Andrew Young, the next the late

Elvis Presley, and last week it was check-writing.

Some people in Washington were outraged because Bert Lance had written a check for \$100,000 or so when on that very day he had only \$27,000 in his account. However, when a few days later the check had made its rounds and gotten back to his bank, it was good because in the mean time he'd deposited enough to cover it.

This underscores a fundamental. Constitutional principle: All checks are presumed good until proven bad.

You see, if one man has \$5 in his bank account and another has \$1,000, and each writes a check for \$2.50, one check is just as good as the other. Rockefeller couldn't write a sounder one. It's when the first one writes a check for \$6 or the other for \$1,001,

that trouble starts.

I said that all checks are presumed good until proven bad but that doesn't always hold, not if the store you're giving a check to is holding one of yours that bounced. The principle then turns over and all your checks are presumed bad until proven good. It's the surest way on earth to get on a cash basis.

Some people may not know it, but one of the greatest

threats to check writers on a tight budget is the prospect of completely computerized, electronic, instant banking, the kind where every financial transaction is done in split seconds.

Like it is now, with the Postal Service on his side, a man can mail a check to pay a bill, even if he doesn't have quite enough money in his account to cover it, and know that by the time it finally

reaches the bank he'll have had another pay check deposited and his credit stays intact. People cuss the post office without realizing that sometimes it's on their side. They're going to be in trouble if the Postal Service ever improves, which it will just as soon as the Middle East problem is solved, or certainly by the time we solve the energy problem.
